CHAIR’S REPORT (Penny French):

- Executive Council:
  - New Policy, Termination of Employment HRM 60.113: This policy covers involuntary separation only, there is another policy for voluntary separation.
  - OP 91:205, Greek Student Organization On-Campus Residential Housing: Based on the spring census, a fee of $20 per person, per semester, to help defer costs for infrastructure improvements and upkeep. This currently totals around $40K to $50K.
  - It was found that some fraternities turned off the fire alarms in order to do painting, and forgot to turn them back on. As a result, all Greek houses are required to be monitored by a 3rd party URL vendor – most already have this system in place.

- Housing Appeals: No appeals

- Information Technology Council:
  - A couple of weekends ago someone reported a burning smell in Allen, and they found a power strip that was inside of a wooden lectern had melted. There was nothing running at that time, and they are investigating how that happened.
  - Printed Phonebooks: The company that produced the books has gone bankrupt; not sure of the future of this product.
  - On December there were cuts make into one leg of our fiber line in the same day, one in Amory and one in Columbus.
  - Microsoft Migration - 500 users left to convert, on track to be materially complete by Christmas.
o URL Redirection: Provides a layer of protection for students/employees to protect them from opening/clicking on malicious sites. It scans embedded URLs and if you click on a bad one it will take you instead to a screen warning you about this URL.

o Stop Spam: New setting: Super Aggressive (tentative name) which will have more false-positives, will only allow you to tag emails as spam, not to automatically discard anything rated 3-5, Aggressive is 5, Supper Aggressive is 3. Emails tagged 5 and above will still be discarded.

o Microsoft Student Advantage and Microsoft Teacher Advantage: This would replace the “home use” option that currently costs $9.95. This plan provides access to Microsoft at no cost for up to 5 copies – including iPad and iPhone. It has been verified that this is available to all employees, not just teachers.

  - Master Planning: Did not meet
  - President’s Committee on Planning: Did not meet
  - Alumni Board: Did not meet, but I did review and rank candidates for the Outstanding Young Alumnus Award.

**COUNCIL COMMITTEE REPORTS**

**Events Committee** – Marc reported that the jacket sale is still going on. Sold $14,250 so far. Have 130-140 small-xl ¾ zip jackets left. Marc suggested selling the jackets for $20-$25 in the spring at Staff Appreciation Day to break even. The Friday sale did not go well – sold $900 in jackets and 9 SAD t-shirts (note: do not order white/cream t-shirts again for SAD). If members know of someone that still wants to buy a jacket they should contact Marc or Penny. Would like to have another sale before SAD and sell jackets at a reduced price ($25).

Events committee will meet in January to start planning for SAD on Friday, May 15, 2015. Asked members to be thinking of a theme and email suggestions to Marc. Need a theme in order to design t-shirts. Informed everyone that SAD is a group effort – everyone will need to sign up to be on a subcommittee (or they will be appointed to one). Marc will have a signup list at the January 14 meeting.

**Policy and Procedures Committee (Jennifer Burns)** – PPC met and revisited the policy for Research and Extension Associate position. Distributed a handout of the language changes to the Guidelines for Promotion section on page 3 of the policy. Staff Council voted to accept the proposed wording in the policy.

**Communications** – Presented drafts of (1) a proposed communication email to be sent from the Staff Council email monthly to all employees and (2) a new FAQ that will be posted to the website. Staff Council approved the email and FAQ. Juli suggested providing hard copies of the FAQ during events. Juli also suggested organizing a “meet your staff council rep” event this spring during lunchtime and provided pizza to help introduce reps to employees.
OLD BUSINESS:
- The educational program is suicide prevention and we are looking at offering the smoking prevention program in March. Juli announced that the new insurance premium changes for tobacco users will take effect July 1, 2015. Employees have to return the form to avoid being charged. Notice will be coming soon in the Mississippi Department of Finance & Administration newsletter. Tamara will post this information on all Staff Council communication channels in January.
- The communication standards were discussed during the Communication Committee report.
